

THE 5 ELEMENTS

LOOK BOOK

Earth, Wind & Fire, Wood & Water.

Earth, Wind & Fire, Wood & Water.

Let's go back to mother nature... using simple elements embracing new techniques. Upcycle and recycle is our holy grail... replenish where taken...

This is our mission, this is where we come from; a team of dedicated mother earth loving people from all around the globe.. join us in a timeless living style , never to become bored with, easy to accessorize with trend setting touches when ever you want.

DC Habitat revives these 5 elements for those fine details of luxury living in a world of madness.

LIVING ROOM
