

Designer Wood Ceramics

Combining natural elegance and technical excellence, Designer Wood Ceramics, offer a wide collection inspired by the beauty of brushed and varnished oak, teak or pine, while keeping mother nature intact.

The perfect solution for a continues harmonious design that embodies all your rooms with the unmistakable charm of wood; no need for maintenance, no colour disfigurations, no warping, simply no maintenance and easy to install.

The classic and imperishable beauty and the organic warmth of wood come together to inspire a whole selection of designs of timeless elegance.

Shades of resins baked in Designer Wood Ceramics have been designed to perfectly match the colours of Nature, expressing a natural union between timeless elegance & Designer Wood Ceramic tiles.
