A wicker chair with a wooden frame and a woven seat, positioned on a stone patio next to a pond. The chair is made of light-colored wood and has a seat and backrest made of a light-colored, woven material. The backrest is slightly reclined. The chair is sitting on a dark, wet stone patio. To the left of the chair is a wooden plank deck. In the background, there is a pond with several large, dark, circular objects (possibly lids or floats) floating in the water. The water is calm, and the surrounding area is lush with green plants.
